No flag but the Old Flag—the Red White and Blue
With the stars of a Union unbroke n and true

SATURDAY MORNING, MAY 2, 1863

Afraid of the Consequences

The organs of secession on the Pacific Coast are grievously distressed, because of the active zeal manifested by loyal men of all parties, in renewed and united pledges of fidelity to the Union They begin to bawl lustily about Democracy and anxiously beg its old adherents to hold back and stand neutral in the issue between the Government and rebellion. Loyalty, in their eyes, means Republicanism, and if an old Democrat dares to avow his love for the Union his standing as a reliable politician is destroyed Judging from the tone of their passionate appeals, we are led to believe that in order to come up to their standard of pure and undefiled Democracy the surest evidence is a cheer for Jeff Davis and the Southern Confederacy but as that might be a hazardous performance in many places, they at least demand that there shall be no expression of sympathy for the Government in its day of fiery trial We are not surprised at this demand we should be astonished if they were satisfied with less for it is as certain as sun-rise, that if loyal Democrats separate themselves from these traitors in disguise and repudiate their doctrines, they will be left desolate and abandoned This result, they plainly foresee and hence, with the agony of dying wretches, they pray that they may not be deserted by their old friends — Concealing for the time, or attempting to conceal the cloven hoof of their Satanic race, they are struggling to keep together under a favorite party watchword, those who were once associated, in the vain hope that it may be possible by deceiving loyal men again to organize their former systems of public plunder. Failing to do this, as they are sure to to fail, if the honest and patriotic portion of the Democracy prefer the welfare of the country to the success of party, they must be covered with shame and contempt as the apologists and defenders of secession Hence their big tears and howling abuse of all measures that look to the union of loyal men for the sake of the Union, hence their wholesome fear of the consequences of their sympathy with rebellion, which we trust will be fully realized.

The First Union League in Oregon.

The following communication shows that the loyal citizens of Forest Grove, who are never dilatory in any good word or work have been the first in this State to formally organize themselves into a Union League We commend their example to all true patriots in Oregon

FOREST GROVE, April 28th, 1863

EDITOR OREGONIAN:

A meeting to aid the Sanitary Commission, and to form a Union League, was held last evening in the Congregational Church at this place, and Rev. E. Walker was appointed Chairman and E. A. Tanner Clerk After the expression of patriotic sentiment in speeches, poetry and song, a contribution of some twenty five dollars was taken up, and Dr. Wilson Bowlby was appointed to solicit further subscriptions.

The committee to draft a constitution for the Association presented one that was adopted. This was signed by all present who had arrived at, or who had passed the age for conscription.

"The Forest Grove Union League" was then organized by the election of the Chairman and Clerk of the meeting as President and Secretary of the Society

On motion, the Secretary was requested to send to some Union paper for insertion a brief notice of these proceedings

E WALKER, Pres't.
E. A. TANNER, Sec'y.

INDICTMENT OF A GOVERNOR —The grand jury at Salt Lake have indicted the Governor of that Territory as a nuisance, closing their presentment, after mentioning many objectionable acts, as follows:

"Therefore, we, the United States Grand Jury for the Third Judicial District for the Territory of Utah, present his 'Excellency' Stephen S. Harding, Governor of Utah as we would an unsafe bridge over a dangerous stream, jeopardizing the lives of all who pass over it, or as we would a pestiferous cesspool in our district, breeding disease and death

Believing him to be an officer dangerous to the peace and prosperity of this Territory — nuisance, as he has his assent to wholesome and needed legislation, treating nearly all the legislative acts with contumely and last of all as the crowning triumph of his inglorious career, turning loose upon the community a large number of convicted criminals—we can not do less than present his Excellency as not only a dangerous man but also as one unworthy the confidence and respect of a free and enlightened people

It used to be an old JACKSON Democratic motto —"The Union must and shall be preserved." But now a great many who call themselves Democrats have modified the old war-cry so as to make it read — "The Union must and shall be preserved, if Jeff Davis is willing"

Gen Burnside, like a loyal Democrat as he is, says in a recent letter the law of Congress making every man a soldier who is capable of bearing arms, should be enforced and submitted to'

Second Dispatch.

SALEM May 1st 1863 —9 30 A M

CHICAGO April 24th —A Vicksburg letter of the 17th says on the subject of the running of the batteries by eight gunboats we each rounded the point within easy range of the rebel batteries they poured fire with bow and port quarter guns, throwing grape canister and shells Coming into close quarters they fired broadsides of shot grape and grape After rounding the point the Admiral's fleet closed up in line of battle being in half mile in length the inside of a semi circle The rebel guns fired a mile in length and every battery was fully manned and rapidly served

The command was generally a terrible one The heavy roar of Dahlgrens Rodgers's and Parrott's explosive shells intermingled with each other made the earth and water tremble The whole mingled with musketry fire, was a time There were over two hundred guns of the heaviest calibre worked in the action for over two hours Huge columns were built by the rebels to light up the river, which was at last by the burning buildings fired by our shells The conflagration of the *Henry Clay* lit up the scene over which hung a broad canopy of heavy smoke, such as only gigantic warfare can produce General Grant was in the Louisiana, near a point above Gen Sherman in person, following opposite the mouth of the canal was an anxious crowd of officers and soldiers who witnessed the battle All the gunboats passed the Vicksburg batteries unharmed — The *Benton* received the heaviest fire A shell exploded on the *Dale* which killed an officer and wounded three men The latter adds, that it is impossible to state the loss We have a large land force below Vicksburg on the Louisiana shore, and that the canal is a success

MURFREESBORO April 24th —General Rosecrans, in the particulars of the McMinnville affair states that the main mounted force arrived at McMinnville at 10 o'clock A M under Col Wilder and Minty's command, taking the place entirely by surprise The rebel force under Greigsby were in front of the town, and Reynolds arrived there while Col Wilder went into the place but Greigsby escaped Col Longsworth, of the Ohio cavalry struck the railroad and destroyed the bridges and telegraph between Murfreesboro and Manchester and burned a train of cars, together with other cars and numerous pieces, and vast quantities of meat Col Wilder destroyed the bridges and a large number of blankets and a large quantity of bacon sugar and whisky, one large cotton factory, one camp at Charley's creek and subsequently one at Liberty taking three hundred prisoners

NEWSPAPERARCHIVE®

The Daily Oregonian.

CITY.

The MORNING OREGONIAN has a larger SUBSCRIPTION LIST than any other Daily published in this City.

SEALED PROPOSALS.—Mr. J. W. P. Huntington, Superintendent of Indians Affairs for this State, and Mr. Benj. Simpson, Indian Agent, advertise in this morning's issue, for proposals for furnishing goods of all descriptions, for the Alsea and Siletz Reservations. The merchants will please take notice thereof and hand in their bids accordingly.

AMUSEMENTS.—To-night is the last night of the season in the engagement of the brilliant American Actress Miss EDITH MITCHELL, also the close of the season of performances by this splendid troupe who have been successfully playing at the Willamette Theatre for the past week. The programme set for to-night is the best ever offered in this city, and judging from the many encomiums pronounced upon Miss Mitchell by the California press, also witnessing her personation of the touching and beautiful character of "Helen Morgan, or the Drunkard's Wife," in the grand drama of "Ten Nights in a Bar-room," we have good reason to anticipate the grandest performance ever witnessed upon the stage in our city. The performance to-night will open with the beautiful drama of "The Pirate's Bride, or the Momentous Question," Miss Edith Mitchell as "Rachel Ryland," to be followed by the great drama of "Ten Nights in a Bar-room," Mr. Waldron as "Joe Morgan, the Drunkard," and Miss Mitchell as "Mrs. Morgan, the Drunkard's Wife." Let all attend these plays, and we vouch that each will be highly entertained, profited and amused, and none go away dissatisfied.

P. S. Our attention has been specially called to another fact which will add much to the entertainment to-night, to-wit: the first appearance of Miss Minnie Gillespie, as "Little Mary Morgan, the Drunkard's Child," who will sing a very affecting song during the second scene. She is represented as a beautiful young child.

SO LONG OVERDUE.—The steamer *Brother Jonathan* has not arrived at the time of going to press. She is 24 hours over due.

See Letter List on fourth page.

DEMOCRACY.—Senator Wright, of Indiana, in a recent speech at Cincinnati, thus defined the two kinds of democrats:

"It was said about democracy. When he was told that a man was a democrat, he want to know what kind of a democrat he was. His attorney told him to stand by the Government. There were two kinds of democrats. Buchanan was a democrat, and Vice President Aaron Burr was a democrat inside the same party. Jackson was a democrat, and Calhoun was a member of the same organization. Breckinridge was also a democrat. The question now was, do you follow Jefferson, Jackson and Douglas, or Burr, Calhoun and Breckinridge. No man was a true democrat who talked about peace while there was a rebel with a gun in his hands."

THE CONSCRIPTION ACT.—The following from the Boston *Post*, the leading democratic paper of New England, is worthy of general consideration:

In the crisis that is upon the country there is one plain path of duty, namely: to obey the laws of the land, whether we like all their provisions or not. Inside of this is safety as a matter of duty; outside of this is anarchy. This principle applies to the conscription act, just as it does to any law. It is obligatory on all until it is repealed or decided inoperative by the highest tribunals. Good citizens, however they may ignore its necessity, or object to some of its provisions, are bound to obey it, and of course will refrain from action tending to defeat it.

It is thought that in view of the evident scarcity of the Southern markets, the innumerable fasts prescribed by the rebel executive is no occasion wonder. If hunger must be endured, it is as well to put a religious face upon it and make the vacant epigastrium the excuse for and the occasion of prayer. A longer and shorter fast than that ordained by human authority seems to be impending over the city of Richmond. A fast in which there will be likely to be a good deal of cursing and no praying to speak of. Perhaps famine is to accomplish a solution which our arms have thus far failed to accomplish.

A prominent and leading democrat of Providence was discussing public affairs recently, denouncing the Government and advocating peace most vehemently. Among his auditors was a colored man, a contraband, who knew the inside of the rebellion, and could see the ring of the gentleman's argument. After listening patiently awhile, he remarked, addressing the speaker, "I don't know who you is, but you talk just as they do down in Richmond."

NO. 2 HOSE DRILL.—There will be a Hose Drill of Multnomah Engine Co. No. 2 this evening at 8 o'clock. Per order. BEN. L. NORRIS, Sec'y.
May 23, 1863

STORAGE.—THE FIRE-PROOF STONE WAREHOUSE, opposite Ladd's House, is the only building, "not made of wood," in the Valley, where goods are taken on STORAGE. All other was that take goods on storage are *wooden* buildings, and in exposed parts of the town, liable to the risk of fire. The subscriber assures his patrons that his charges are but $1.50 per ton per month storage and although he in wooden buildings is $1 00 per ton, yet the public cannot fail to perceive the advantages the subscriber possesses over other warehouses or this place.
Salem, Jan 20, 1863.1m RASEY BIVEN.

N. B. A liberal discount made for lots of 50 tons or more where goods are Stored for more than one month.

It is abominably wicked and ungrateful for men in loyal States to say to our brave sons and brothers in the field, who are fighting for the Union, "You neither can nor should succeed!" This "fire in the rear" is harder upon the noble fellows, and more discouraging than the manly combat in the open field. An open-armed Rebel is more respectable than a lurking Copperhead.

Pacific Market.

The New Market on Front street, No. 2, Couch's Addition, is now opened by Messrs. WEEKS, GILMORE & CO., Proprietors, for the accommodation of the public, and our citizens may be assured that it will be equal to any on the Pacific Coast, where none but the best quality of goods will be kept for sale. The Proprietors are well known to the whole community for their fair dealing in the management of their other first-class Markets—the Empire, on Washington street and the Franklin on Taylor street.

The value of a Sewing Machine cannot be estimated by the amount of wood, iron, brass or steel used in its construction, but by the *manner* in which these materials are put together, and the quantity and quality of the work it turns out. PAIN PANACEA.

Is composed entirely of healing gums, and vegetable oils and herbs. It is perfectly safe for the most delicate to use. I can most sincerely say that I have never known any, however delicate, to be injured by it in the least. I will continue to ask the afflicted, who have not used it, to try it for the following diseases: If they are not satisfied with its healing properties, the money will be cheerfully returned by the agent where the medicine is for sale.

If you have pain in the stomach or bowels, try a dose of Pain Panacea internally, bathe externally over the parts affected, and you will at once restore the proper action and relieve the pain.

If you have a Bruise or Wound, bathe it well with the Pain Panacea four times a day. It will relieve the pain, and take out all the poison, and heal the wound in a short time.

If you are suffering from Neuralgia or Rheumatic Pains, apply the Pain Panacea freely, and take a dose of it internally morning, noon and night; it will not only cure the pain, but will remove the cause of the disease.

If you have the Dyspepsia, and your food distresses your stomach after eating, take a dose of Pain Panacea after each meal.

If you have a Cankered or Sore Mouth or Throat, apply the Pain Panacea to the affected parts, and gargle the mouth or throat three or four times a day.

If you have the Diarrhœa, or a relaxed state of the bowels, take a dose of Pain Panacea and they will soon be restored. If you have a painful swelling, bathe the parts freely, and you will soon relieve pain, and the swelling will be reduced.

If you have a severe tooth-ache, apply the Pain Panacea on a piece of cotton, and bathe gum at the same time; it will stop the pain instantly.

If you have a pain in the Breast, Side, Back or Kidneys, bathe parts affected morning and night; at the same time take a dose of the Panacea internally.

If a Mother has a caked breast, apply the Panacea as hot as it can be borne.

If you feel chilly or cold, as though you were going to have a fever, take a dose of Panacea.

If you have a wound, cut, or galls upon your horse, apply the Pain Panacea; it will take out all the inflammation and heal the sore in a short time.

LEGAL

U. S. INCOME TAX.

THE LAW CONTEMPLATES THAT EVERY ONE of all persons and all profits (less $600) derived from any source whatever, shall be assessed to deduct all legally assessed State and County Taxes (excepting only Rents Drayage &c necessary to carry on his business) but no farmer merchant mechanic or any person having to hire his own labor can take much expense from his income

The Income Tax is to be paid on the income of the year ending January 1st 1863 so that on the evening of December 31st everybody should make up a true and faithful account of his for that year And as many persons of income such as Dividends and Railroad Bank and Stocks Insurance Stock Savings Banks, Interest &c &c is having already paid the income tax are not again taxed. It therefore becomes necessary to have a correct estimate of income that there may be no difficulty with the Assessor

All persons must include the three per centum before declaring their dividends

For Example

A merchant's business must take up the nett profits of his business for the year and pay the tax on the amount less $600

A mechanic or other business person all and every man whose business profits or fees except the $600 And in such cases all over $600 must be taxed, though personal or family expenses must be all

The income tax for the year 1862 is assessable on the first day of May 1863 and is payable on or before the 30th June 1863 And a penalty of five per centum will be added to the amount unpaid if the tax is not paid after the 30th June as aforesaid, and for ten days after notice of the delinquency will be added to the amount unpaid

Each individual Company Firm or Partnership must make up his income separately

AYER'S Cathartic Pills,

(SUGAR COATED),

ARE MADE TO

CHANGE THE BLOOD AND CURE

Invalids, Fathers, Mothers, Physicians, Philanthropists, read the Effects, and judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach,

Prairieville, Pa., May 1, 1862

DR J C AYER Sir I have been repeatedly cured of the worst headache any body can have by your Cathartic Pills It seems to arise from a foul stomach which they relieve at once If they will cure others as they do me, they are worth knowing Yours with great respect,
ED W PRESBLE, Clerk of Court

Bilious Disorders and Liver Complaints,

DEPARTMENT OF THE INTERIOR, WASHINGTON, D C, Feb. 1863

SIR I have used your Pills in my general and in my own case ever since you made them and cannot hesitate to say they are the best cathartic we employ Their regulating action on the liver is quick and decided, consequently they are a valuable remedy for derangements of that organ. In my practice I seldom found a case of *bilious disease* so obstinate as not to be readily yielded to them Prate really yours,
ALONZO BALL, M D., *Physician of the Dept*

Dysentery, Relax, and Worms.

PORT ORFORD, HUMBOLDT, LIV Co., MEXICO, Nov. 18, 1862

DR AYER Your Pills are the perfection of Physic They have done my wife more good than I can tell you. She was sick and pining away for months. Went off to the Sandwich Islands at great expense, but got no better She then took your Pills, which soon cured her. Also, my daughter was cured of worms (dead) from her body. They afterwards cured her son of a fever, and our two children of bloody dysentery One of our neighbors had it bad, and my wife cured him with two doses of your Pills. While others around us paid from five to twenty dollars for doctors' bills, and lost much time, without benefiting or curing their patients, we have used your Pills, and have not lost a day's work, nor paid a cent for medicine. Such a medicine as yours, which is actually good and honest, will be prized here GEO J. GRIFFIN, P M

Indigestion and Impurity of the Blood.

From Rev J V. Himes, Pastor of Advent Church, Boston

DR. AYER I have used your Pills with entire success in my family and among those I am called to visit in my parish. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES

WARSAW, WYOMING Co., N. Y., Oct. 24, 1862.

DEAR SIR I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

From a Forwarding Merchant of St Louis, Mo.

DR. AYER: Your Pills are the paragon of all the cathartic medicines They have cured my little daughter of Erysipelas upon her hands and feet that had proved incurable by other medicines Her mother has been long grievously afflicted with Scrofula in the form of pimples on her skin and in her hair After our child had taken your Pills, and they have cured her, she also tried your Pills, and they have cured her.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawks, of the Methodist Episcopal Church

PULASKI HOUSE, SAVANNAH, GA., July 1, 1862.

HONORED SIR I should be ungrateful for the relief you have brought me if I did not respect my case to you. I was afflicted in my limbs and brought on excruciating pain, which ended in chronic rheumatism. Both the best physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Ford, I tried your Pills Their effects were slow, but sure. Gradually recovering in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., Feb. 1863.

DR. AYER I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease

We need not speak to the public of its virtues. The world is full of them, and almost every hamlet of the whole country knows of its wonderful cures of pulmonary complaints. Indeed, these are so common and so constantly occurring, that no one is entirely ignorant of their value. Nevertheless, the extent to which this remedy is used, and the dependence placed upon it by those who have tried its power, are not generally known. Many, few are the families in any section of this country, or even on this continent without some personal experience of its effects, and fewer yet the communities any where in which there are not among them some living trophy of its virtues. Colds, coughs, and other pulmonic affections are the most prevalent and dangerous diseases of the throat and lungs. Many of them are the most powerful antidotes yet known to man for the formidable and dangerous diseases of the throat and lungs. Many of them are the most powerful antidotes yet known to man for the most formidable and dangerous diseases of the throat and lungs. While they are the pleasantest and safest remedy that can be administered to the sick, they are the most reliable that can be relied on. Parents should have it in the house for their children, and nurses for the sick. Clergymen, public speakers, and singers, and young persons Parents should have it in their families, as a protection against the insidious enemy that steals upon them unawares. We have abundant grounds to believe the Cherry Pectoral has done more than any other medicine to relieve human suffering, and to save human life. Many publicly known citizens have voluntarily certified to cures. Keep it by you, and when you take cold, in the first stage of the disease, or even when the cough becomes troublesome, do not neglect them until no human skill can cure you. Many a valuable life has been saved by a timely use of this remedy. Many a
